

Wisconsin School Choice registration for the 2023-24 school year begins February 1, 2023, at the [Wisconsin School Choice student applications website](#). The deadline to apply is April 21, 2023. Contact our office for additional information or assistance. 920-921-4020

- Redeemer Lutheran Grade School is part of the Wisconsin Parental Choice Program. Under this program, funded by the State of Wisconsin, parents have a voice in how their tax dollars are spent on the education of their children.
- At Redeemer, we believe parents are best equipped to decide what school is the best fit for their child. This program allows more families to choose Christian education for their sons or daughters.
- Redeemer encourages all qualifying families to apply. **Please note that only Redeemer Kindergarten and First Grade students (in 2023-24) and students transferring from public schools or being homeschooled are eligible to enroll for the first time.**
- Parent email verification is a part of the application process. It may take 5 minutes to 24 hours for the verification email to be received by the applicant. The application process can be completed once the verification has arrived. Once your application has been entered, the DPI site will list what documentation is needed for you to bring to Redeemer for verification.
