LAST WEEK FOR MATCHING GIFTS: SUPPORTING FUTURE GOSPEL MINISTERS— Redeemer has two members studying for the public ministry at Martin Luther College next year. A wonderful way to support them is to participate in the Congregational Matching Grant Program. If you give a gift toward their tuition, it will be matched by MLC – doubling its impact. But gifts must be given as an offering **BY THIS FRIDAY, JULY 12TH** in order to meet the deadline.

Special envelopes are available at the office window. Your gifts will help minimize these students' college debts as they, Lord-willing, will soon be called to future schools and churches to share the gospel in our church body.

FORWARD IN CHRIST - The new issue of *Forward in Christ* for July is available by the office window.

SUMMER STUDY GROUPS – Beginning with our next worship series, “Meaningful Ministry,” which begins today July 7th, study questions designed for small group discussion will be included in the bulletin to encourage you to dig deeper into that Sunday or Monday’s message. The hope is that our Redeemer families will take advantage of this opportunity to grow in faith

through God’s Word by taking these questions home and discussing them as a family or inviting fellow members to form a study group.

Who might you invite to join you in discussing the life-giving truths of God’s Word? How can you take advantage of this opportunity to strengthen the bonds of Christian love and fellowship between you and your brothers and sisters here at Redeemer? May God continue to bless the precious seed of the gospel and make it bud and flourish and produce abundant fruit!

THE AREA WELS WOMEN'S BIBLE STUDY will meet July 16th at 6:30pm at Good Shepherd, Fond du Lac (please note the construction in the area and enter on Martin Ave. from the north. There is no Bible study July 30, we will meet August 6th and 20th. Feel free to contact Naomi Schmidt if you have questions or would like text reminders: 920-960-1436.

THE NAOMI FRIENDSHIP GROUP will not meet this July or August.
